

Stranahan Stewardship Committee Meeting

January 19, 2015 Old School House Commons 6:30 pm

Members Attending: Diana Batzel, Jim Brimblecombe, John Domey, JennyWarshow. Absent: Ed Jalbert

Approved: Minutes from 11/17/14 and 12/15/14.

Discussion: The committee members discussed progress of the logging bid but without Ed at the meeting the status was unsubstantiated. Members discussed recommending to the Selectboard to push back the bidding process to May.

Members agreed that the Town Report submitted was okay.

Discussion of updating the Management Plan followed. The first focus would be getting public input. It was suggested that we try to get a public survey together for Town Meeting and possibly also post it on Front Porch Forum. March 16th was put forth as a target date for our first public meeting on this topic. As a method of review, we will try to get through a few pages each meeting for as long as it takes. Jenny and Diana will start the ball rolling with the survey.

Actions: Begin work on survey for Town Meeting.

Next meeting February 16, 2015 @6:30 pm Old School House Commons.

Agenda: New business, minutes, management plan, survey, log job, display for town meeting.

Approved: 2/17/15
